Progress Report

Kaitlyn Zhang

Found New Data

- USDA County Level Datasets
  - [Educational attainment for adults age 25 and older for the U.S., States, and counties, 1970–2021](#)
  - [Poverty estimates for the U.S., States, and counties, 2020](#)
  - [Unemployment and median household income for the U.S., States, and counties, 2000-2021](#)
  - [Population estimates for the U.S., States, and counties, 2010-2021](#)

Subsetted the data into a few Texas counties

- Bexar
- Collin
- Dallas
- Denton
- Harris
- Hidalgo
- Tarrant
- Travis

I am using these variables in each dataset

- Population
  - Population
  - County name
  - FIPS code

- Educational Attainment
  - County name
  - FIPS code
  - **Less than a high school diploma**

Continued

- **High school diploma only, 2017-21**
- **Some college or associate's degree, 2017-21**
- **Bachelor's degree or higher, 2017-21**
- **Percent of adults with less than a high school diploma, 2017-21**
- **Percent of adults with a high school diploma only, 2017-21**
- **Percent of adults completing some college or associate's degree, 2017-21**
- **Percent of adults with a bachelor's degree or higher, 2017-21**

- **Unemployment**
- **County Name**
- **Fips Code**
- **Civilian labor force**
- **Number Employed**
- **Number Unemployed**
- **Unemployment rate**
